“Creativity, Simplicity, Growth”

# About Us

With our core activity, Escape Games from Hungary we bring you the spirit of creativity and problem solving combined with fun in being a team.

You can feel this in our decor as well as the service of our staff as soon as you enter to achieve this further, we have collected a bouquet of unusual activities from all over and chosen the very best.

Experience driven happiness is the cornerstone of Hungarian Games philosophy.

# Our Concept

Based on "Flow Theory" that a person's inner strength and abilities improve under stress, Hungarian Games aspires to provide the best comprehensive training program by layering different activities together.

We deliver this experience to various groups sizes small to big ranging from 10 to 100 people.

Our aim is to build stronger teams that showcase the ability to collaborate and coordinate not only at the various tasks we provide them with

but also when they tackle various challenges at their work place.

We aim to impart a positive attitude along with a sense of synergy through our team building activities that encourage the team members to excel together as a team.

We continuously learn and innovate to ensure perfection every time we provide a happy and enriching experience to everyone using our services.

**TOGETHER** because we are a **TEAM**
